Someone must have stolen her sweet roll
or she had to escort a stupid NPC across a river and they died because of a mudcrab.
Talos the unerring! Talos the unassailable!
To you we give praise!
Talos the mighty!

DON'T STEAL SWEET ROLLS

YURIPROJECT.NET

That separate world, up on the stage
I can still remember it like it was yesterday
The unaccountable feeling I had that day

Ah...
It was down here...
Hey! Don't leave me behind..!
I'm very sorry!
You see.. I...
I'll be more careful in the future!
Pl.. Please forgive me..!
Um... No...
Ah...
Um.. Excuse me...
Ah... no...
You see...
It's just us second-years right now
Ahm... I'm sorry.
She's totolly different from when she was on stoge...
she ployed the heroine..
This person...

You're a first-year!?
N...
Na, you're mistaken you see...
I... I was hoping I might... be able to join the club...
If you'd like to leave a message..
I think our third-years should be here by the end of the day.
I... I'm sorry...
My grandmother was from Moscow... I think it must be because of that...
Are you serious?
What did you eat to get that tall?
One-quarter foreign blood, huh...?
There sure are some unfair things in this world.
I know this girl
She was famous back in elementory school.
Really?
I'm surprised you don't remember, Hinomin.
Are you?

Come on, Minamo, acting like you know everything.
SCRIPT MINAMO
DIRECTOR HANEDA
PLAYERS
What's that supposed to mean?
No.
Aisa, you're making her uncom-fortable
Hey, Minamo!
Come stond next to her o sec.
Ah...?
...Yeah.
M... Minamo -senpai... is it?
Um... excuse me...!
...Yes?
Mm... well, yeah...
You... wrote that script, Senpai?
I... Last year, I was very moved by that play...

Huh!?
Huh?
No no, no way. I can't help it
"Minamo-senpai" just sounds way too adorable
Hey! Cut it out!
Quit laughing This is a touching scene
Pbh heh!
E.. Even so! It was incredible! I loved your story so much, Minamo-senpai, that.
But, you know, I had help from the teacher...
Shoot.. I really can't stop!
You see..
her name's actually Minamotokouji Chizuru.
...Though, even the teacher calls her "Minamo."
Official club recruitment doesn't start till tomorrow, so if you'd like, you can stop by then, uhm...
Oh..! Ah It's Nanase!
Ah, no, "Minamo"s fine, really.
I'm e- e- e- e- extremely sorry...!
My name is way too long

Nanase-san, right?
Please write your name and class here
Ahh, don't worry.
Everybody's inexperienced at the start.
Y... Yes!

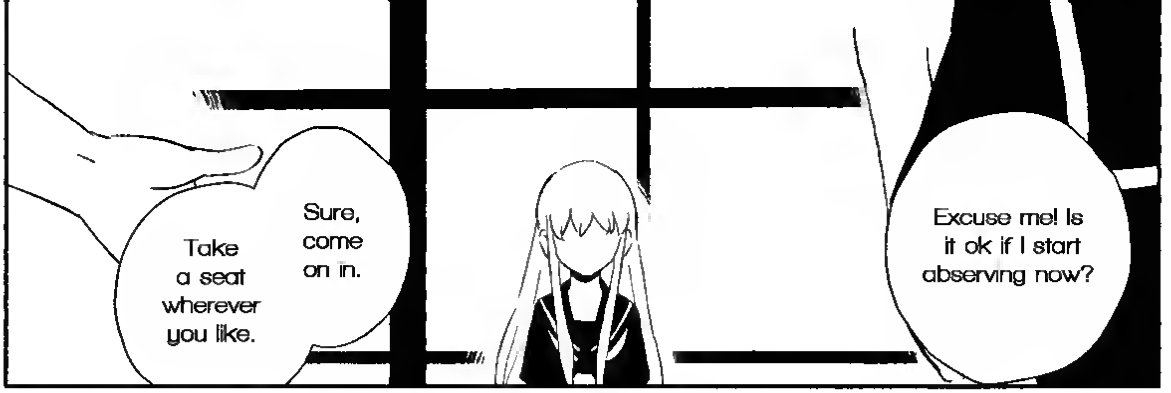
We're not allowed to take in permanent members until next week.
Um.. is there a way to skip the trial period..?
You've waited half a year, right?
It won't be long.
Y...
Yes...
Oh, right, and we're also looking for people to write scripts and stuff, too
So anyway, next week.
...Wait, hold up.
Is today Tuesday?

Oh, and Minamo! Take care of today's e-mails?
Right.
Wait, what!? Hinomin, don't just...
Ahhh, geez. nothing for it.
Could you explain the rest for me?
Sorry, I have to go!
.....
Did Hinomi disappoint you?
N-... no!
Sh... She's just.. a bit different from what I expected..
She made such a strong impression on stage..
Still, the script you liked never would've worked without her.
She may seem kind of lazy and careless, but...
...Well, she is pretty lazy and careless.
H... Hinomi-senpai's acting really is amazing!
A... all this time, I assumed she was just like the character from the play...

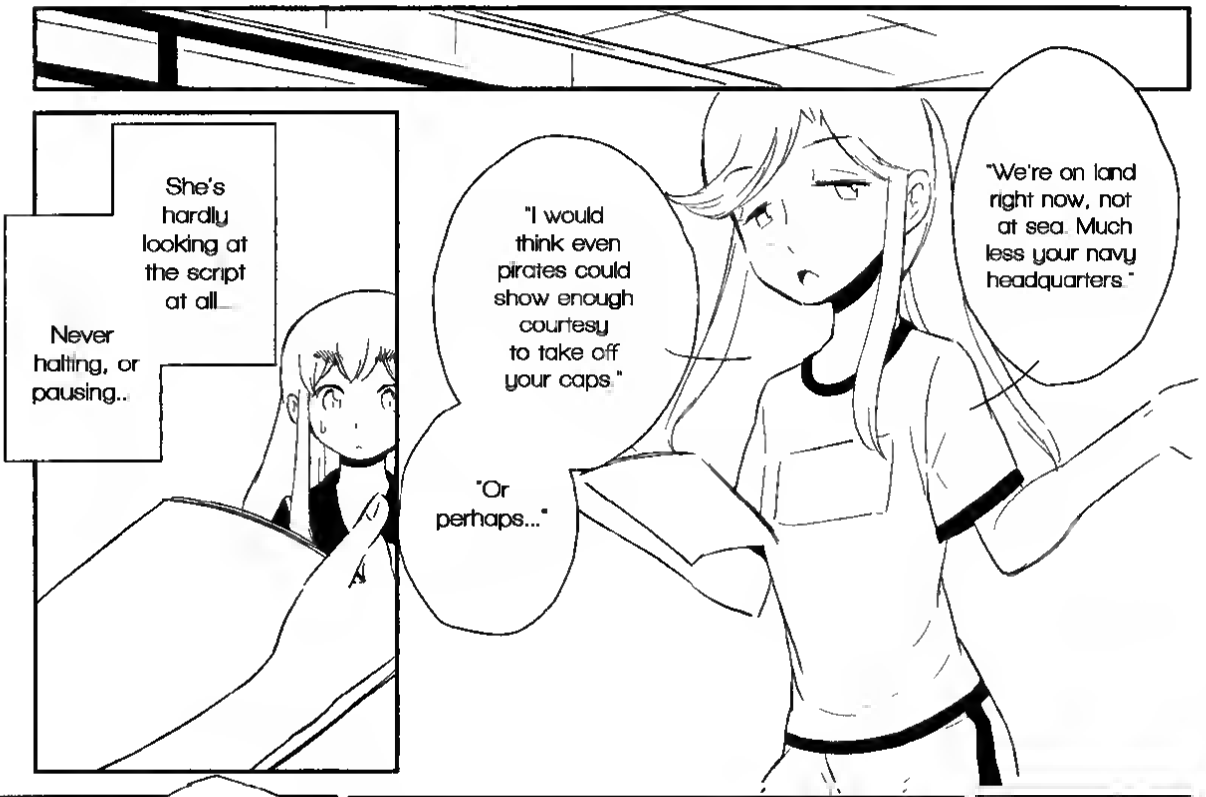
Not sure if I'd say it's her *acting* exactly, or.
Somehow, I feel...
Well, you'll see soon enough.
A little jealous
Pardon the intrusion...!!
Go ahead in. Take any seat you like.
Oh, hey
Th- Thank you very much!
"What are you doing!?"
Huh!? Sorry, I—I
"You're not supposed to be here!!"
Not at all! You should watch. You're observing, right?
Ah... am I in the way?
We were just doing a reading
Ah, no, sorry, not you!

"It's impossible to guess their true intentions."
"Witches..." Uh... "Witches live according to different dictates from ours."
"Hey now.. aren't you a sorceress yourself?"
No no, a sorceress and a witch are two entirely..."
Yocchin, Yocchin
Mn..? Did I skip a line?
Nah, it's just... Well, it's only my interpretation, but...
This sorceress character thinks of witches as something way better than her, right?
Hmm... I'm not sure... she never really says so clearly.
She just can't say it in front of her superiors, right?
Ahh. I guess so..?
..Wait, it's already time, Hinomin?
Yeah...
I've got to go.
Eh...
Hinomi...
please stop wearing your headphones outside of the club room.
Eh.. for real?
Sorry about that.
We got a warning from one of the teachers.

Hinomi-senpai..
I know what a great actor she is, but...
Yep. See you.
Right, I'm heading out then. Bye-bye, everybody.
Guess so, huh...
Yau know, you really shouldn't rely on Hinomi so much..
Mm, yeah.
I think she's basically right.
Minamo, did you hear what Hinomin was saying?
All the other upper-classmen practice so hard, yet she...
U... Um, Minamo-senp-
No...
It's nothing...
Sorry, Nanase-san.
What was it?



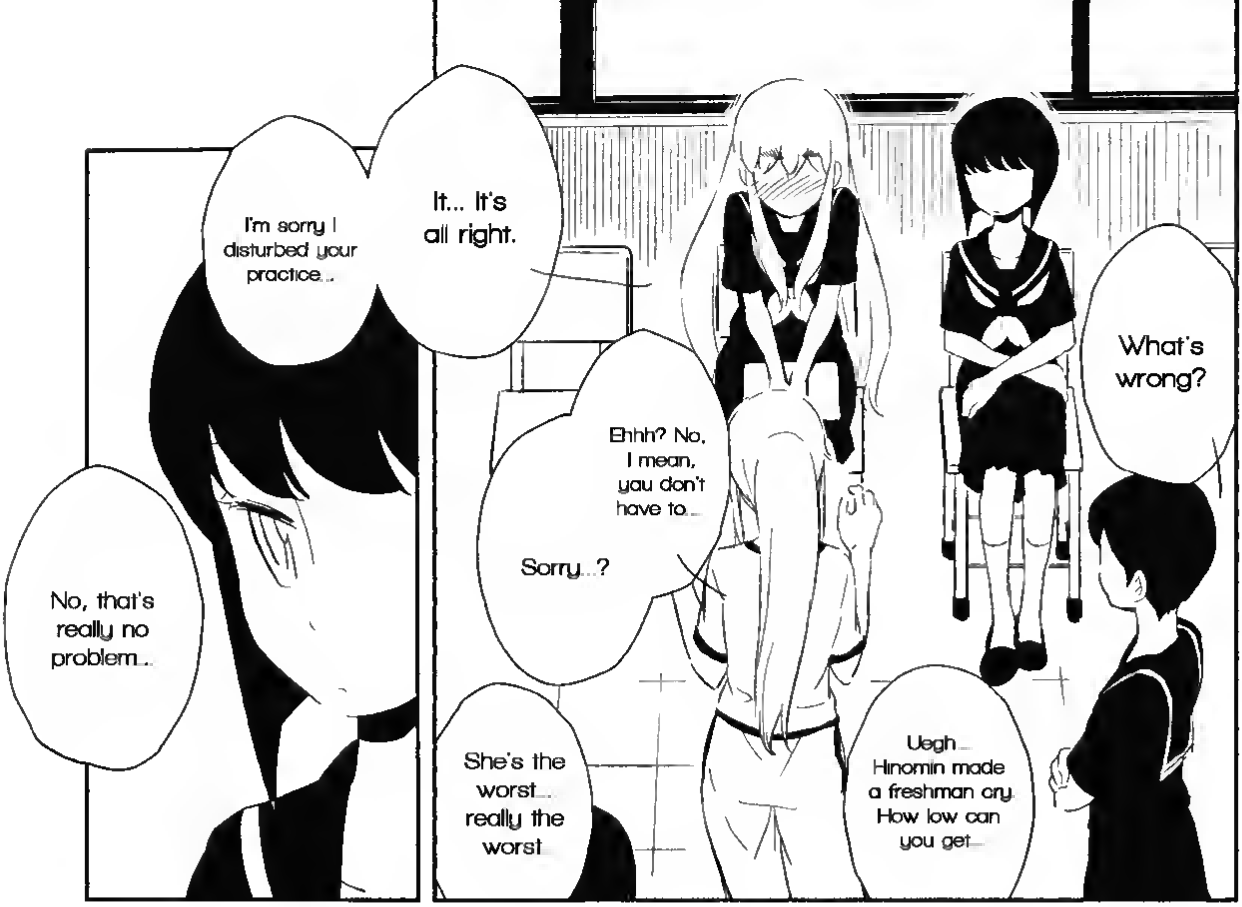
Excuse me! Is it ok if I start observing now?
Sure, come on in.
Take a seat wherever you like.



"We're on land right now, not at sea. Much less your navy headquarters."
"I would think even pirates could show enough courtesy to take off your caps."
"Or perhaps..."
She's hardly looking at the script at all...
Never halting, or pausing..

"A favor...? Could this have something to do with the price on your head?"
Eh? Is that really ok!?
As long as you give it back.
...Well, I can trust you, right?
Here, want to follow along?

Those eyes of yours...
Nobody but Hinomi would have it memorized at this stage.
Ahh, don't worry too much about that.
I don't think I could do even one page...
Hinomi-senpai really remembers every line...
Minamo, what do you say we let her do some reading too?
You'll have to ask the president
Huh..?
Sure, I don't mind. We're almost done for the day anyway
Ok then! Go ahead and pick what part you'd like
No, th... that's not... I couldn't...
Eh!? N-
Just a line or two would be fine, if you...
oh?
I... I'm sorry... but I...
I really can't...



What's wrong?
Ehhh? No, I mean, you don't have to...
Sorry...?
It... It's all right.
I'm sorry I disturbed your practice...
No, that's really no problem...
Uegh... Hinomin made a freshman cry. How low can you get...
She's the worst... really the worst...

Have you calmed down?
Can I ask what the problem was?
Though, I think I can guess

I know it hasn't been long, but still...
That I just... don't have the talent...

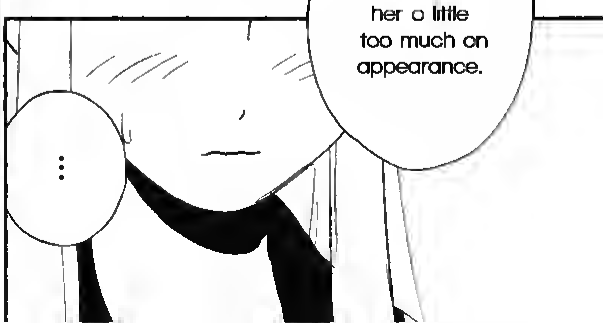
But just liking it isn't enough
I've already realized... I can't do it

I... really love the stories you write, Minamo-senpai...
I really do...
Thank you.

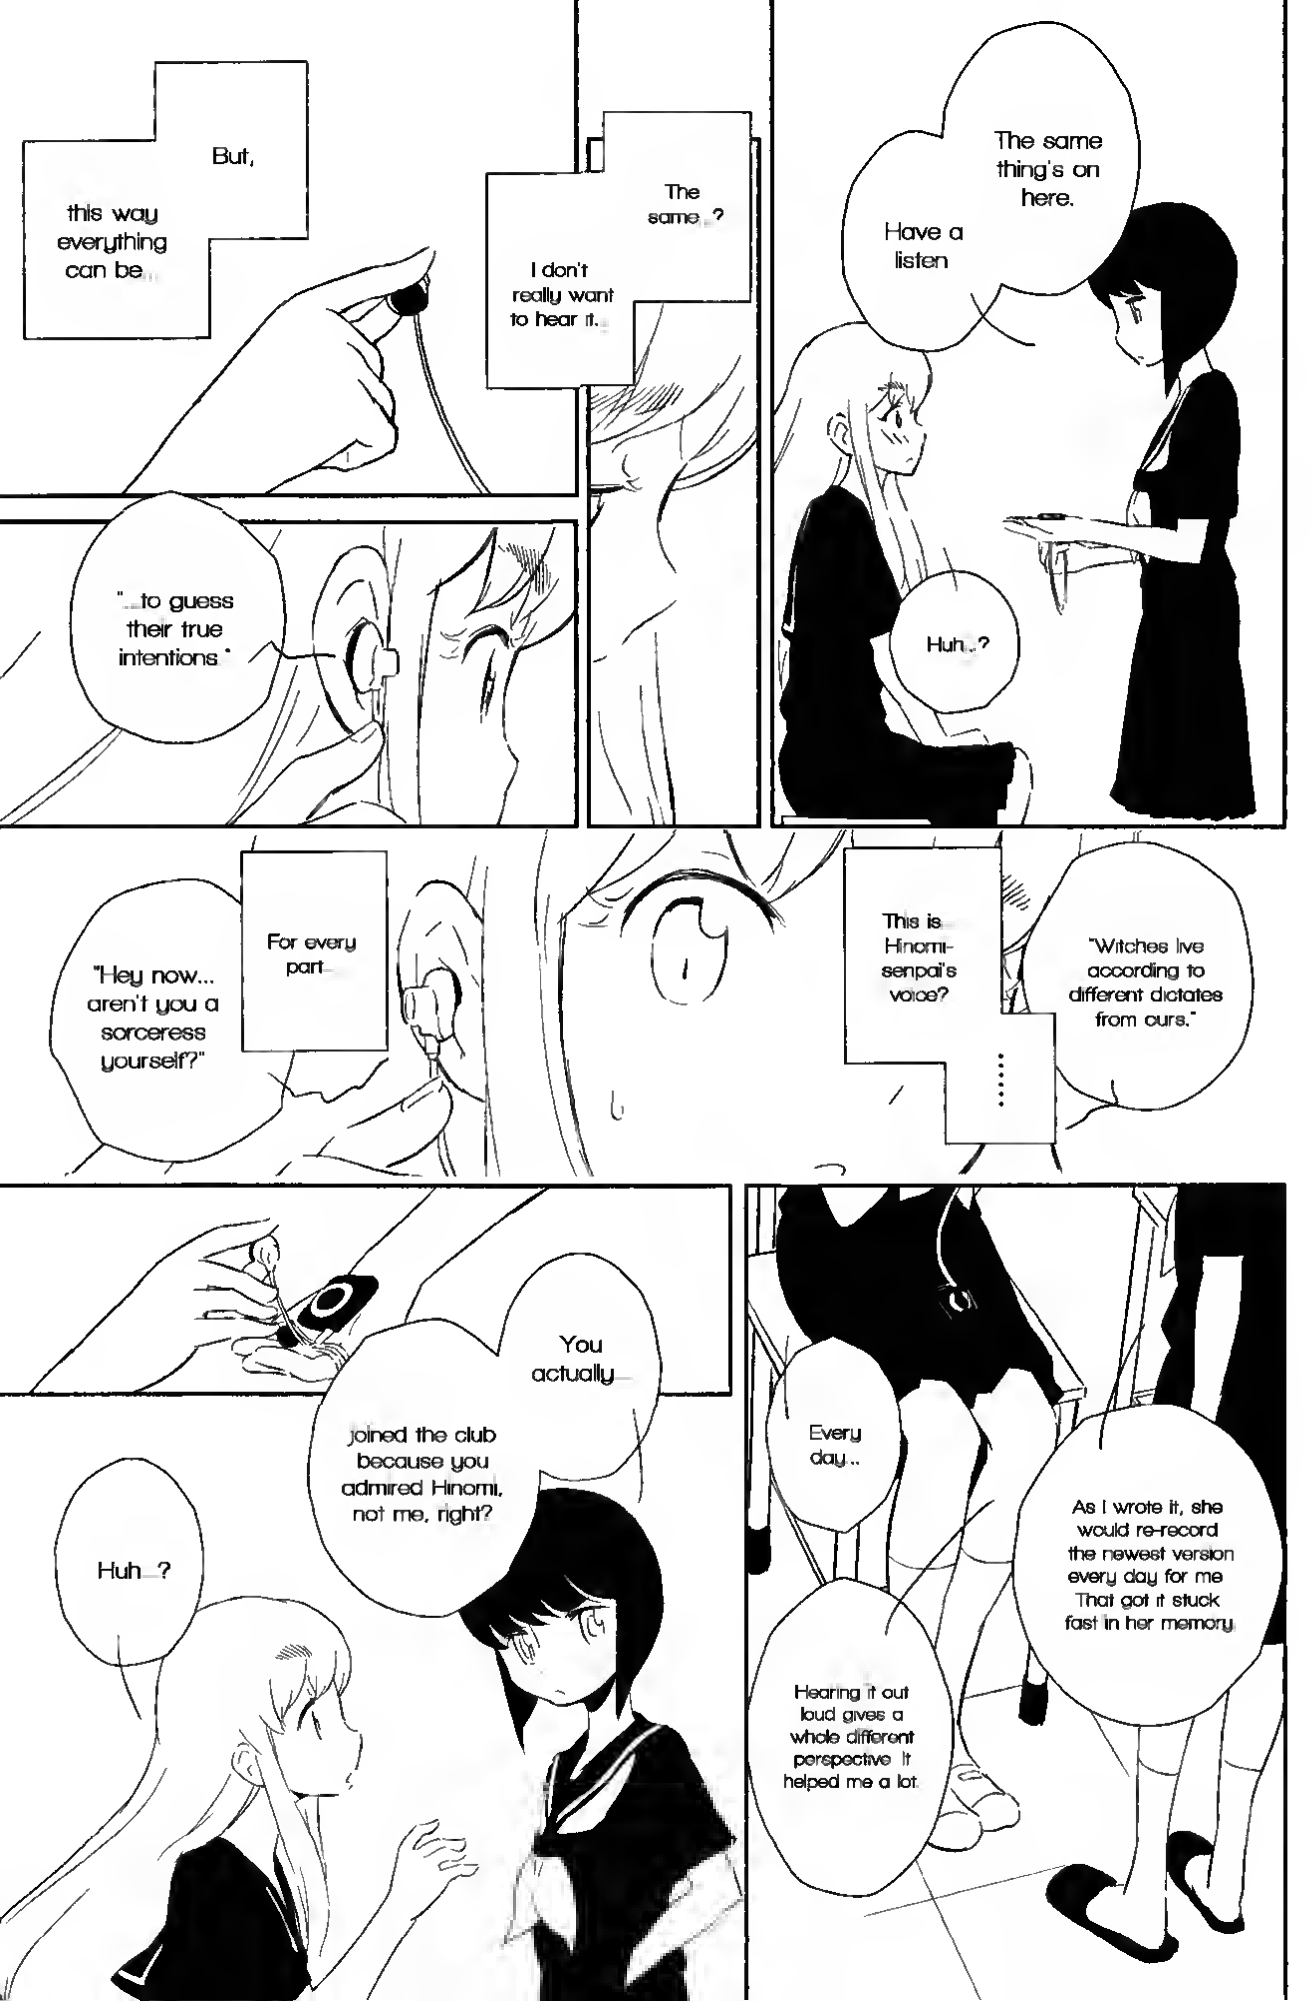
Do you know...
what it is Hinomi's always listening to?

Hinomi's a problem too, but...
Mnn...
N... No, that's not..

I'm sorry, I don't know much about music...



You may be judging her a little too much on appearance.
...



But,
this way everything can be...
The same...?
I don't really want to hear it.
"...to guess their true intentions."
The same thing's on here.
Have a listen
Huh...?
"Hey now... aren't you a sorceress yourself?"
For every part...
This is Hinomi-senpai's voice?
.....
"Witches live according to different dictates from ours."
You actually...
joined the club because you admired Hinomi, not me, right?
Huh...?
Every day...
As I wrote it, she would re-record the newest version every day for me. That got it stuck fast in her memory.
Hearing it out loud gives a whole different perspective. It helped me a lot.

What's wrong..?
Na... um...
.....
...?
She's pretty fickle, so it might not be easy to get her recognition...
but I guess that makes it more worthwhile?
For some reason, instead of feeling dismayed that I couldn't get my feelings across...
I guess it's hard for people to see their own charm...
...?
Hm?
I was just happy to have seen such a cute side of her.
Even so....
Right!
Getting this person's recognition might be way, way harder, but..
Oh right, there's no club tomorrow, so, we'll meet again next week
